Western Digital, WD, My Book and the WD logo are registered trademarks in the U.S. and other countries; Essential Edition, Home Edition, Studio Edition, Mirror Edition, and World Edition are trademarks of Western Digital Technologies, Inc. Other marks may be mentioned herein that belong to other companies. Pictures shown may vary from actual product. Product specifications subject to change without notice. As used for storage capacity, one megabyte (MB) = one million bytes,one gigabyte (GB) = one billion bytes, one terabyte (TB) = one trillion bytes. Total accessible capacity varies depending on operating environment and RAID configuration. RAID 0 (striped) accesses the full capacity of the drives. RAID 5 accesses three-fourths of the total capacity for data protection. RAID 1 (mirrored) accesses half of the total capacity for additional data protection. Not all products and capabilities are available in all regions.
